Extra Info

Our drummer Klaas-Jaap is a lefty. Both ADJ Fog Fury machines shoot a water based co2-like fog several meters upwards.

The sampler is a DigiTech JamMan Stereo and needs 2 DI lines. You need to run it LOUD!

The bass amp DI is built in and runs POST eq / fx with very moderate eq settings.

Monitor Groups

Group	Soundmix
Group 1	Gitaar Nico, zang Karin, zang Jos, bas
Group 2	Zang Karin, zang Jos, gitaar Nico
Group 3	Bas, zang Karin, zang Jos, gitaar Ruurd, gitaar Nico
